

## NO RESPONSE IN LIVERPOOL DULLS COTTON

New Orleans, La., Sept. 8.—The refusal of Liverpool to respond to the advance of yesterday in the American market caused a slump on the opening of the local cotton market today, and during the first hour of business prices were depressed to the extent of 10 to 15 points, October falling to 22.10 and March to 22.35. The first clearing report of the season by the census bureau showing 267,541 bales turned out to September 1 had no immediate effect on values.

Cotton opened steady, Oct. 22.43; Dec. 22.55; Jan. 22.61; March 22.65; May 22.70. The trade finally decided that the genuine export was small and a buying movement started. Prices responded to the buying and the market became decidedly strong after the weekly reports were issued for they were considered fair as lower were recovered and late in the morning prices were 10 to 15 points over yesterday's close. October showing the most strength and March the least. This irregularity was due to the widening of straddles between months. Spot cotton steady, 22 points higher. Bales on the spot 400 bales, to arrive noon. Low middling, 22.75; middling, 22.95; good middling, 23.20. Receipts, 14,000; stock, 137,000.

The market did not hold well in the late trading. Some buying inclined to take profits while there was no demand for the short side. Toward the close prices were more stable. A large contract with 100,000 bales.

## BLACK-DRAUGHT AS A PREVENTIVE

When You Begin Feeling Bad With  
Feverishness, Headache, Cold,  
or Constipation, Give Your  
Liver a Tonic—Take  
Black-Draught.

Candler, N. C.—"I don't believe there is a better medicine made than Black-Draught; I have used it and my mother's folks used it for colds, feverishness, headache and dehydrated liver." This statement recently was made by Mr. C. E. Trull, a well known farmer on Route 2, this place.

"I have, before now, begun feeling dull, a headache would come on, and I would feel all full of cold, and take a few doses of Black-Draught and not all right," adds Mr. Trull.

"Last year my brother had measles, flu and pneumonia. They wired us I went to Camp Jackson to look him up. Down there different ones were using preventatives. I stayed with him. The only thing I used was Black-Draught. It kept my system cleansed and I kept well and strong."

By keeping your liver and stomach in good order, you stand in little danger of catching serious ills that occasionally spread through town and country.

Get a package of Black-Draught and have it ready for the first symptom of a disordered liver.

Most druggists sell Black-Draught.
